NOTICE OF CHANGE OF USE OF AGRICULTURAL AND TIMBER LAND

(WAIVER OF NOTICE & PROTEST)

INSTRUCTIONS: Texas law requires you to notify the appraisal district if your land qualifies for agricultural or timber-use valuation and you change its use. Your “change of use” report should be filed as soon after the change as possible, but no later than April 30 following the date the change occurs. If you fail to notify the appraisal district of a change of use by the deadline, a tax penalty can be assessed against you. The penalty is 10% of the difference between the taxes you paid on the special valuation and the taxes you would have paid on the market value of the land. If you have questions, please contact us at (979) 849-7792.

“I am aware that by waiving my right to protest the Notice of Change of Use Determination, rollback taxes will be imposed by each taxing unit taxing the property.”
